

During our recent Work Week at Camp Bountiful, the kitchen was emptied and processes are in place for new flooring coverage.

As the kitchen was begin emptied, so too were all of the existing cabinets. The cabinets were found to be in very poor condition. Many of the shelves are fragile and disintegrating. At this time, it does not appear they will be able to be reinforced enough to hold up and be returned to the kitchen.

For that reason, stainless steel tables are currently being investigated as replacements. After much deliberation and realizing the inadequacies of our wooden furnishings, it is a desire to refurbish the kitchen with durable stainless steel tables that would offer many years of resilience.

To this end, we are once again approaching our Camp Bountiful Friends and Families to assist in this endeavor. Below is an outline of what we need and the approximate cost for each item (upon visiting the warehouse we found that we need stronger steel than these listed and the cost will be more, but not a lot more:

ITEM		DIMENSIONS	PRICE	SKU #	
STEAM TABLE- 4 WELL		58 3/8L x 22 7/16W x 34H	\$1,135.00	303040

The original table was 11'1" long. Didn't measure height. There are no tables longer than 8 feet. Also they are 35" high. With casters, it will add about 2.5".

Casters - set of 4 is

46.35

Caster - set of 6 is 65.00

Some table have 4 legs and some have 6.

Options for funding:

- Choose an item to fund and partner with another congregation or two to ease the overall financial burden
- Share with extended church friends who may no longer live in the area but have a heart for the livelihood of the camp
- Hold a congregational fund raising event

We can also look at partial purchases such as funding one half or one fourth of a table. Timing is very important as we have retreats scheduled in March and April and would like to have as much in place as possible for those events.

We want to be mindful of our local and World Church needs and obligations as we consider our best avenues for financial support. It is not the intent to interfere

with regular giving patterns as normal operations of the church remains in the forefront of our commitments.

Please feel free to email me at [susancschneider@gmail.com](mailto:susancschneider@gmail.com) with your ideas of fundraising and suggestions. My cell phone is 606-922-3184 if you would like to text or chat.

I believe we can meet our challenge as we prayerfully consider our options and our desires to further our kingdom building at Camp Bountiful.

Good Luck and prayers as we go forward!
