

## Cooking for Camp Sign-Up Sheet

We are hoping to secure volunteers to cook and clean up for our summer camps for Saturday morning breakfasts and Sunday evening dinners. This would help us be able to hire a Food Service Director from Monday through Friday, giving him/her the weekends off, making it a more desirable position. Our hope is to get individuals or branches to sign up for a date they can provide personnel. The camp will still provide the foodstuff. We will need 3-4 people for each meal.
